NAAAPY Members,
Marian Thomas and Yolande Beckles
attend LAUSD's Committee of the Whole

The meeting will be replayed this Sunday, October 29th, if you'd like to watch.

Meeting Notes:

"We were very disappointed in the presentation, there was a lot left to be desired regarding the program itself. We are in Year 3 of BSAP and are no closer to raising the achievement level of Black children in Math and English Language Arts".
